Origination Procedures

- Application:** Mortgage loan officer submits Loan File Checklist to Funding Partners, complete with all documentation shown on the form. A loan commitment is usually issued within 48 hours, or less. Any remaining documentation requirements will be detailed.
- Processing:** Funding Partners will order title commitment and evidence of hazard insurance. Final loan documents are delivered electronically to loan officer for presentation to borrower. All outstanding items must be cleared prior to funding.
- Closing:** FP will deliver closing instructions and loan proceeds direct to title. Wires are sent 24 hours prior to scheduled closing date, so the loan officer must advise of any schedule changes as soon as possible.
- Fees Collected:** The Application Fee of \$150 is collected at closing, in addition to the public recording fee for the deed of trust (4 pages), and will appear on the HUD1 Settlement Statement. All settlement figures should appear on a single statement. FP will review and approve the final statement prior to funding. Title insurance is not required for H2O loans.
- Requirements:** LOAN OFFICER'S ARE REQUIRED TO PRESENT ALL H2O DOCUMENTS AT, OR PRIOR TO, CLOSING. Please note both the borrower and loan officer must execute the Lender Certification form, acknowledging disclosure of all loan terms and contact information.
- Settlement:** Borrower may NOT receive any proceeds at the time of settlement regardless of total contribution. Title will be instructed to show any excess proceeds as a principal reduction to FP on the Settlement Statement and return such funds for proper credit. No changes to the H2O loan documents or loan amount shown on the HUD1 are permitted as a result of excess proceeds.
- Post Closing:** The original deed will be recorded by title with all other original H2O loan documents returned to FP via overnight courier. Any excess proceeds will be applied as principal reduction, with applicable notice delivered to the borrower upon receipt.
